General Sales Conditions:

THE SNOWMOBILE AND ITS REGULATION:

Free use of snowmobiles is strictly forbidden in France. We've had to answer to very strict obligations. An ITD (A study of the impact and the environment in line with the laws) has been set up in order to obtain the authorisations to start this activity.

ART 1 – ACCEPTING THE PRESENT SALES CONDITIONS:

The hereby general sales conditions govern all of NATURE MOTONEIGE's sales. Therefore, placing an order implies that the client entirely endorses these conditions, except for all other documents such as flyers or the catalogue released by NATURE MOTONEIGE that are only of informational value.

ART 2 – BOOKING:

In order to undertake a snowmobile hike, the client must book a date for the activity by phone at 00 33 6 12 21 40 60 or at 00 33 6 07 07 10 75 or directly at our shop Annecy Folie.

Signing a rental contract will necessarily happen at our chalet before the beginning of the activity. You will find the present general sales conditions on it.

ART 3 – BUYING A GIFT VOUCHER:

In accordance with the Consumer Code, up to 7 days after buying a voucher online or in our store you have the right to withdraw. If the withdrawal takes place in under 7 days, you will be reimbursed. After those 7 days, there will be no reimbursements. Our gift vouchers are valid for 12 months.

ART 4 – ON THE DAY OF THE HIKE:

So that the company NATURE MOTONEIGE can organise their activity in the best conditions, the client commits to being present at the time that is indicated on his reservation.

For the successful running of our activity and out of respect for the other participants and the guide, you are requested to read the road map and other information that we will send to you. Please plan your drive in advance so as to arrive on time. We will not tolerate any delay. Our instructors have to leave on their tours and no reimbursement or compensation will be due.

The time of arrival takes in account a period of 30 minutes before the beginning of the activity, this period is necessary to fill out different administrative forms, to get equipped and for a first briefing explaining the safety rules and the instructions to handle the snowmobile.

Any delay will lead to a shortening of the activity time equal to the delay without any restitution since the time of 5 to 10 minutes that is necessary for the security briefing can not be shortened.

Without having received the instructions and safety briefing none will be able to participate in the activity, this means too great a delay will lead to the inability to ensure the service. Nevertheless, this one must be paid off to NATURE MOTONEIGE by way of compensation.

ART 5 – CANCELLATION OR MODIFICATION FROM THE CLIENT'S PART:

What concerns adding people to the booking, NATURE MOTONEIGE will accept depending on availability.

What concerns removing people from the booking and/or changing the date of the activity:

For a reservation of 4 snowmobiles and less:

- Cancelling or modifying is possible without any charges up to 48 hours before the reservation.

For groups of over 4 snowmobiles:

- If the modification occurs over 8 days before the reservation, there will be no charges. The contract will be modified compliantly. (This delay can be adaptable depending on the period.)
- If the modification occurs within 7 days before the reservation or not beforehand at all, the entire price for the initial reservation will be due to NATURE MOTONEIGE.

In case of an emergency and upon presentation of documentary proof, NATURE MOTONEIGE can choose to reimburse the client but they can not be imposed to do so. Either way the client shall notify the company of any information regarding his reservation: organizing the program, changing the number of participants, any delay or cancellation.

Considering this information, no changes will be accepted on departure, this concerns the main activity and all other activities (restaurant and sledging) booked with other service providers by NATURE MOTONEIGE.

Furthermore, if the client simply cancels an order or reservation, the company NATURE MOTONEIGE will keep the fees paid already by way of compensation.

ART 6 – CANCELLATION OR MODIFICATION FROM NATURE MOTONEIGE'S PART:

The NATURE MOTONEIGE company can not be held responsible for any delay of the activity due to external causes such as changes in regulation, force majeure, strikes.

Hikes will be maintained by all weather conditions. Bad weather is not a rightful reason to reschedule or cancel except in case the stations of Grand Massif decide to temporarily suspend all outside activities.

Snowmobile hikes can not take place in case there is a lack of snow.

In that case the NATURE MOTONEIGE company and the client will agree on another date or proceed to a cancellation.

After a cancellation from the part of NATURE MOTONEIGE, your deposit will automatically be refunded within 7 business days.

The guides working for the NATURE MOTONEIGE company have the right to cancel or modify a hike depending on the weather conditions or the participants level.

If during the reservation NATURE MOTONEIGE commits a mistake, they will automatically reimburse the client and offer them an adapted commercial gesture.

ART 7 – EXCLUSION:

The guides working for the NATURE MOTONEIGE company have every right to exclude a participant in a state of inebriation or who's behaviour disturbs the functioning of the activity or the safety of the group. In that case the client can not claim a reimbursement or any compensation.
